Do you want to strengthen worldwide evangelism with your professional work? Ensure safety and effectiveness in this ministry through responsible software development? Help improve the performance of other ministry areas and national teams with intelligent processes and software solutions? Contribute to reaching the whole world together with the Gospel in the next 10 years?

What you will be working on:

- As IT Project Manager, your primary focus is on the planning and coordination of website, mobile application, and software development for GO Movement
- You will coordinate a small team of five staff members
- You will manage the software development processes, ensure the test operations within the quality assurance and be responsible for the (worldwide) rollouts of the projects
- Your most important tasks include requirements management, implementation planning, team organization, and internal communication.
- You will be responsible for ensuring that the project goals are met in terms of deadlines, quality and cost, and you will plan and model the processes for the smooth operation of your solution.
- You will coordinate the IT support for all marketing channels
- You are responsible for the coordination and maintenance of the intranet (SharePoint in office.com)
- You will lead weekly scrum meetings

Your profile:

- Personal relationship with Jesus Christ
- Identification with the tasks and goals of GO Movement
- Passion for evangelism, prayer and discipleship
- Working experience in project management
- Preferably knowledge and experience regarding MS Office 365 and possibly Drupal, Salesforce and WordPress
- Certified education in IT project management is an advantage

- Strong strategic skills and a systematic, structured and solution-oriented approach to work
- Innovative approach to problem solving, strong conceptual and analytical thinking.
- Good German and English skills, both written and spoken

Benefits:

- Working with an international team
- We offer a fixed monthly salary for this 40-60% position.
- Decentralized and remote working environment

We pray for co-workers who share our heart for evangelism and our calling to mobilize every believer to be a witness. Our team in Germany, Switzerland and the national offices is looking forward for your support.

What is the GO Movement?

The GO MOVEMENT connects many ministries, churches, denominations, and initiatives worldwide. It unites all believers in pursuit of our central and purest mission: sharing the Gospel. The GO MOVEMENT is built on a simple belief: Everyone can reach someone. Together we can reach the world!

Since 2012, a growing number of churches and ministries have worked together to mobilize and equip millions of believers to be a witness and to share the Gospel on GO DAY (formerly called Global Outreach Day). With GO 2020, the day was expanded to a whole month, for the first time in 2020. Since then, the month of May became GO MONTH: a catalytic key moment for every believer to become a witness for Christ. The GO DECADE aims to reach every person on earth with the Gospel by 2030 while intensifying prayer, evangelism, and discipleship efforts.
